COUNTY BOARD COMMITTEES

Parks, Energy &
Environment, Chair

Finance & Audit,
Member

Dear Neighbor,

As your Milwaukee County Supervisor, I have the duty of adjusting and passing the annual county budget. This process begins in the second week of October and concludes in early November. We must keep county services, including public safety, parks, and transit, running while meeting our fiscal obligations and honoring the public's wish to avoid a vehicle registration fee (VRF) increase.

The 2018 county budget will be very challenging to complete. The state of Wisconsin has shaved off millions of dollars in shared revenue, leaving the county with less money to work with. The Milwaukee County Board must reckon with these funding cuts, and remove anticipated VRF revenue. In plain terms that will force significant reductions in parks, transit, and public services.

In light of this, what shall the direction of the Milwaukee County Parks System be? The parks system gets just 40% of its funding through the county property tax. The remainder comes from activity fees, rentals, event ticket sales, and concessions revenue. To get more revenue, the 2018 proposed county budget contains plans to charge for parking along the lakefront and within county parks. I strongly stand for keeping our parks free and accessible to everyone. Keeping them free is certainly worth the public investment.

Sincerely,

Supervisor Jason Haas, District 14

MKE Airport Runway Maintenance

Some residents may have noticed an increase in aircraft activity over certain neighborhoods in recent days. This is due to regular annual airfield maintenance happening at Milwaukee County's General Mitchell International Airport. The temporary closure of the airport's main east-west runway (Runway 7R/25L) means all landing and departing airline traffic is currently using the main north-south runway (Runway 1L/19R). This runway work is necessary for the safety of airport and aircraft operations, and is expected to wrap up by the end of October. A great way to stay up-to-date on future airport maintenance projects is to subscribe to the MKE Airfield Update e-newsletter: gmiaairfieldupdate.com

Humboldt Park Improvements

Get To Know Your County Clerk

I would like to introduce George Christenson, our Milwaukee County Clerk. His office administers county-wide elections, provides support to the Milwaukee County Board of Supervisors, and offers a variety of services to county residents, including:

- Applying for a Marriage License or a Domestic Partnership
- Applying for a Passport
- Sale of Wisconsin Department of Natural Resources licenses and permits (including hunting and fishing licenses)
- Sale of Milwaukee County Transit System bus passes
- Notary Public Services

Please visit the County Clerk's website for additional information on these services: county.milwaukee.gov/CountyClerk.

The County Clerk's Office plays an important part in ensuring transparency of our county government by overseeing the County's Legislative Information Center (CLIC). CLIC enables county residents and others to live-stream the meetings of the County Board of Supervisors, its standing committees as well as other select taskforces and special committees. Agenda and Minutes involving those meetings are also available for view on CLIC. Please visit county.milwaukee.gov/CLIC to learn more.

Supervisor Haas is pictured with Municipal Judges JoAnn Eiring and Derek Mosley. The Milwaukee County Board presented a citation to them at its September meeting for their fearless advocacy of organ donation.

Organ Donation

There are 120,000 people waiting for a life-saving transplant. Every 10 minutes a name is added to the national transplant waiting list. Every day 22 people die from the lack of available organs for transplant. Be a hero, save a life, BE A DONOR. To be listed on the Donor Registry, please go to: www.donatelifewisconsin.org

The process literally takes 2 minutes. The orange sticker on your license is great, but the Registry guarantees your wishes will be followed.

Energy Assistance Program

It may not feel like it, but for the Milwaukee County Energy Assistance Program, October 1 is a new year and a new heating season.

Any household with a utility burden can apply for this one-time, annual benefit. Your benefit is based on your household, your household's income, the size of your home and your utility usage. It's NOT based on whether or not you are behind on your bill or on how much you may owe.

Energy Assistance is not intended to cover your entire bill, but to help make those bills a little more affordable. Every household situation is different, but most households receive a benefit that covers one (1) to two (2) months of utility service. In most cases the energy assistance benefit is paid directly to your household's energy supplier.

Applying is Easy! Make an appointment or walk in to any of our sites. October hours are:
Monday, Tuesday, Thursday - 7:30 a.m. to 7 p.m.
Wednesday, Friday - 7:30 a.m. to 5 p.m.
Saturday - 8 a.m. to noon

There are 6 sites across Milwaukee County for your convenience. All sites are on a bus line and are handicapped accessible.
Northwest - 4906 W. Fond du Lac Ave.
Downtown/Central - 728 N. James Lovell St.
West Allis - 6761 W. Greenfield Ave.
Southeast/Bay View - 2701 S. Chase Ave.
South - 5663 S. 27th St.
North - 6918 W. Brown Deer Rd.

To schedule an appointment or for more information, call **270-4MKE (270-4653)** or go online to www.EnergyAssistanceMKE.org
